## BIOGRAPHY

Alexis was born and raised in Turlock, California. She started working at a young age, helping her aunt and uncle with their family-owned bounce house party business. Being a family-oriented company is one of the reasons Alexis joined Bender Insurance Solutions in 2020. Alexis enjoys developing relationships with their customers and tremendous customer service has become her passion.

Alexis' role evolved within the company and currently is the Bond Administrator for the Surety Department. As Bond Administrator, Alexis executes the clerical and administrative duties for the department, as well as supporting team members to ensure their clients' service requirements are met. Alexis aspires to become a Surety Account Manager in the future.

Alexis looks forward to work every day at Bender as she believes BIS truly cares about its employees as much as they care about its clients. Alexis enjoys helping others and looks forward to being a part of the Bender team for years to come.

Alexis and her fiancé reside in Sacramento with their two dogs, Maya and Fiona, and their three lovebirds Maui, Zuli, and Sagi. They also have an African Gray Parrot, named Zazu, who barks more than their dogs and is as much of a troublemaker as a toddler. She enjoys hiking, camping and spending time with her family, friends, and pets.
