### BIOGRAPHY

Edlin was born in Los Angeles, CA but at age 16, her family moved to the Dallas/Fort Worth area. In her senior year of high school, Edlin started working for a Farmers Insurance agent part-time. While she was only performing clerical work at the time, Edlin was drawn to the industry and saw a future for herself. After graduating high school, Edlin decided to make insurance her career, and earned her Property & Casualty license to start working for a State Farm agent in Arlington, TX.

Eventually, Edlin moved to Brooklyn, NY and continued her career with State Farm. While working in different roles in the agency, Edlin found what she loved most was reviewing coverages with her clients and helping them see the value of their insurance policy.

It is with this passion that Edlin was excited to join the Bender team in 2017 when she and her husband moved to the Sacramento area. Bender's mission statement: "Providing protection, superior service and education to those who matter most" perfectly describes why she loves insurance and made it her career choice.

Edlin, with the help of the agency, was able to obtain her Certified Insurance Service Representative designation in 2019. The courses she took were designed to help her better understand insurance contracts. With this knowledge, she is able to ensure her clients and their treasured possessions are adequately protected.

Edlin currently live in Roseville with her husband. She loves to run, hike and enjoys nature. A green thumb - Edlin has a newfound obsession with plants, both indoor and outdoor.
