### BIOGRAPHY

Candy Maxwell joined the Bender Insurance Solutions team in 2019 as an Account Manager after 18 previous years in a similar role for another commercial insurance agency. Candy grew up in the Sacramento California area spending her summers on the big island of Hawaii.

She joins Bender's Commercial Lines team with a background in working with aviation, retail chains, restaurants, wineries/vineyards, construction and small businesses. Candy enjoys advising and assisting organizations with all of their insurance needs and is passionate about helping each of them complete their mission as organizations that strive to serve people throughout their communities.

"I am very passionate about Commercial Insurance and helping our clients understand how the policies they purchase benefit and protect them. Conducting annual reviews and learning more about my clients is my favorite part of being an Account Manager", she shares.

Candy lives in Roseville with her husband and two children. She has been involved with several local community walks and fundraisers.
