BIOGRAPHY

Edward started his career in the field of banking, where he worked his way up to managing a sales force of 35 individuals. After 8 years in the banking business, he switched to the Insurance Industry, joining Bender Insurance Solutions in 2002 as an Account Executive in the Surety Department.

His responsibilities include sales production in both Property and Casualty Insurance and Surety. He focuses on businesses related to the Construction Industry, to which he brings a unique understanding of the need for financially strong clients to weather the ups and downs of the industry. He understands the true meaning of building a relationship with his clients on what is important to them and helping them grow to be as large as they desire.

He graduated from Sacramento State University obtaining a BA in Social Science. Edward is a member of a number of Construction Trade Associations, including: American Subcontractors Association, Construction Financial Managers Association and Professional Association of Specialty Contractors.

Edward resides in the Auburn area with his wife and two children. He enjoys spending time with his family attending local theatre and keeping a close eye on both the state and national political scene.
