BIOGRAPHY

Born and raised in sunny California with over a decade of experience, Erin has spent time excelling in multiple areas of the Employee Benefits industry. She has knowledge of both TPA and agency inner-workings and procedures and provides unmatched client service. She is passionate about self-funding and alternative solutions as well as team management, performance metrics, and process engineering.

Erin manages the Employee Benefits service team at Bender Insurance Solutions which includes Servicing Account Executives, Account Managers, and Account Technicians providing stellar service to all benefits clients. The team services employers with all aspects of benefits: health, dental, vision, life, disability, accident, gap, critical illness and more.

She enjoys the unique culture at Bender as well as the family dynamic that extends from the top down to each and every staff member. After spending time in a company that was purchased and ultimately became a corporation, Erin sincerely

appreciates the independence and commitment to perpetuation that Bender Insurance Solutions strongly values.

Erin lives in Rocklin, CA with her husband and two young daughters. She enjoys running, organizing, spending time with her family and friends, and anything Disney.
