BIOGRAPHY

Heather grew up in beautiful Mt. Shasta, California. She moved to Sacramento in 2002 to complete her education and she began her professional career in public accounting working in the audit department at KPMG. She left public accounting in 2008 as the controller for a civil and environmental engineering firm. She transitioned to the insurance industry in 2013 as the controller for a local agency before joining Bender Insurance Solutions in January 2020 as VP of Finance.

Her responsibilities include financial management, budgeting, accounting services, facilities maintenance and leading the administrative team. Heather is excited to be working for the only employee-owned agency in the region.

Heather holds a Bachelor of Science degree in accounting from California State University, Sacramento. She is also a certified public accountant.

Heather lives in Lincoln with her husband, Corey, daughter, Lila, and two dogs, Daisy and Rocco. She loves summer camping trips to the beautiful lakes and beaches of California. She enjoys biking, hiking and kayaking with her family and friends. She also loves playing softball and helping with her daughter's softball team.
