BIOGRAPHY

Jana's first job out of high school was for a local insurance agency, where they promptly began training her on surety bonds. Jana's experience has included working with clients doing business across the United States as well as internationally. They have ranged from a small emerging contractor to a public-traded entity. When she joined Bender Insurance Solutions in 2017, she brought 47 years of surety experience to the agency.

Jana lives in Loomis. She has two children who have blessed her with 6 grandsons. Two of her grandsons are bilingual and she's started learning Spanish, too. Jana enjoys spending time with her family more than anything else in the world. She also enjoys walking, antiquing, day trips and, especially, trips to the beach.
