

Jason Theis, ECSI

Certificate Service Representative

Direct (916) 380-5362

jtheis@mybendersolutions.com

BIOGRAPHY

Jason started his career in the insurance industry as a Facilities Clerk in early 2009. Over the past several years, he has demonstrated superior service and dedication to Bender Insurance Solutions. His hard work and loyalty earned him a promotion to the Benefits Department, where he soon became licensed in Life and Health. In 2016, his keen interest in health, nutrition, and wellness earned him a certification as a Nutrition & Wellness Consultant. In 2019, he earned his CPR/First Aid Instructor license where he teaches CPR & First Aid classes for BIS clients.

After dedicating 9 years to the Benefits department, in 2020 he made a transition over to the Commercial Lines department as a Certificate Service Representative. He is currently working on earning his Property & Casualty license for his new Commercial Lines role and looking forward to a bright future with this change as he grows in his new field of duties while still holding his certification in nutrition and open to helping others on his off-time.

Jason has earned an Associates Degrees in Computer Technology and in Networking, is a long time Resident of Rocklin, CA and enjoys the outdoors. With a strong passion for health and wellbeing, he also continues to study nutrition and the causes of many illnesses we are facing today, so he can continue helping others apply them to everyday life.
