BIOGRAPHY

Julie is a resident of Fair Oaks but lived most of her earlier years in the Bay Area. After earning her bachelor's degree from San Jose State, Julie began her insurance career with Travelers and was introduced to the world of surety bonds. Julie spent 13 years with Travelers as an Account Manager working in Walnut Creek and was then transferred to the Rancho Cordova location.

Eventually she transitioned her expertise to the agency side through contacts and found a new home with Bender Insurance Solutions as an Account Manager for their Surety Department.

Having the knowledge of surety underwriting and understanding of the client's needs creates a comforting road to building a personable relationship with existing and potential clients. Customer satisfaction is Julie's number one priority.

Julie likes to spend time with family and friends. Outside of the surety world, she enjoys reading, movies, TV and visiting amusement parks.
