BIOGRAPHY

Kasey is a rural California native with over a decade of experience working alongside various statewide organizations to improve the lives of Californians in need of a political voice. She came to Bender with a passion for customer care, process creation, and teamwork.

In 2020, Kasey joined the Benefits Department at Bender Insurance Solutions as the Account Technician. In her role, she plays an integral part in maintaining team-wide success by supporting the Benefits team in the servicing of small to large benefit accounts. She is responsible for facilitating changes, template creation and maintenance, enrollment system reviews, carrier connection management, and day-to-day confirmation that client service requirements are met per the policies and procedures.

Currently, Kasey resides in Rio Linda, CA with her husband Steele, two sons, Steele jr., and Theo, and their many animals. She enjoys gardening, yoga, family dance parties, and going to Disneyland with friends and family.
