BIOGRAPHY

When Kathy joined Bender Insurance Solutions in 2017, she brought 40 years of surety experience with her. She entered the insurance industry as an ROP student at an independent insurance agency. Kathy started in personal lines, as well as being the backup to the surety customer service representative (CSR). Eventually, she became the primary surety CSR and her focus has been surety ever since.

Kathy lives in Sacramento with her husband of 40+ years. They have two daughters and an adopted son who have blessed them with 9 grandchildren. Kathy enjoys spending time with her family, camping and trips to the beach. Kathy has a giving heart and each Thanksgiving, she and her extended family go to a known homeless people gathering area in downtown Sacramento. They bring their camping stoves and all the food and drink to serve breakfast to those so much less fortunate than themselves. Their families also bring blankets, coats and other items of clothing. It is a tradition of caring for her and family.
