### BIOGRAPHY

Carrying almost a quarter of century of experience in the financial services industry, Ramy joins the Bender Insurance Solutions team as the new Business Development Manager. With deep roots in Northern California, Ramy attended Benicia High School and California State University, Sacramento.

As Business Development Manager, Ramy will drive organic growth initiatives across all lines of business. In addition to leading the production teams, he will chair the Sales council, co-chair the Bender U committee and be an integral part of the IT and Budget committees. Ramy has spent much of his career leading production teams and is extremely passionate about supporting the success of those in his charge. Ramy stated that the culture, and the people that make up that culture, drove his decision to join the Bender Insurance Solutions team.

Away from the Bender Insurance Solutions office, Ramy loves to spend time with his family and friends. You will find him outdoors enjoying a variety of sports related activities.
