## BIOGRAPHY

Ryan was born and raised in California and spent much of his childhood up and down the coastline learning to fish, surf and anything in between. Ryan loved the coast so much that he asked to be stationed down south in San Diego and completed his bachelor's all the way north in Arcata at Humboldt State University. Being a fresh college graduate, Ryan is eager to learn the ins-and-outs of business.

Ryan maintains the facilities at Bender Insurance Solutions, and acts as the I.T. Liaison between the Bender Team and their technical support carrier. He hopes to apply his education's focus on sustainability to aid Bender Insurance Solutions' branding evolution as he learns the business, its values, and its role in the community and marketplace.

Ryan lives in Rocklin, and spends his free time weightlifting, playing video games, dabbling in broadcast media, and frequenting the outdoors.
