### BIOGRAPHY

Sallie started in the insurance industry as a part-time receptionist while attending college. It did not take her long to realize that she had found her career path. Soon after, Sallie began her commercial lines focus with an agency which eventually lead to her current position with Bender Insurance Solutions; where she started in March of 2016.

Giving back and being involved in the insurance industry has always been important to Sallie. Her past association involvements include serving as President of the Applied Client Network International User Group; past Member of ACORD User Groups Information Exchange (AUGIE); Past member of Independent Insurance Agents & Brokers of America, Inc. Agents Council of Technology (ACT).

In 2009 and 2012, Sallie was awarded for outstanding service to the Applied Systems Client Network User Group. She currently serves as a Board Director for Insurance Brokers and Agents of Sacramento and Past President of the Applied Client Network Northern California Chapter.

Sallie resides in the Sacramento area and has two grown children. She enjoys walking her dogs, Gracie and Daisy, reading, gardening, crocheting, and contributing blankets to the Linus Project.
