BIOGRAPHY

Cindy was born and raised in Redding, CA. She started in the insurance industry in 1981 with CSAA and became a claims adjuster in 1986. Cindy stayed in that profession until 2000 when she received her Property & Casualty and Life and Health Licenses. She has been working in commercial insurance for over 20 years.

Cindy joined Bender Insurance Solutions in October of 2020 as an Account Manager. In her role, she handles all day-to-day needs of her clients, proposing renewal summaries and writing new business for producers. "I love Bender and after being in insurance for 38 years I have found my dream job. The family and team atmosphere here at Bender is incredible and I look forward each day to working with my team and clients to help them with their insurance needs".

Cindy currently lives in Folsom, CA with her husband who is a long haul trucker. They have 3 children: a police officer; one currently in the Navy serving our country; and a computer technician. The whole family enjoys traveling, hiking and anything do with water and snow sports.
