## ABOUT AMANDA

Amanda, a native of San Mateo, California, spent the majority of her formative years in Sacramento, immersing herself in the vibrant community. Graduating from Hiram Johnson High School, she then embarked on her educational journey at American River College, where she honed her skills and knowledge.

In 2001, Amanda joyously welcomed her first child, a significant milestone that marked the beginning of a new chapter in her life. It was in April 2002 that she took a leap into the realm of insurance, igniting a passion that has driven her career ever since.

Her professional path led her to join the esteemed BIS team in October 2023, where she thrives in her role as a Commercial Middle Market Account Manager. Amanda's commitment to excellence shines through her accomplishments, including the prestigious CIC, CRIS, and CLCS designations she has earned through dedication and hard work.

Beyond the confines of her work environment, Amanda cherishes moments spent with her family, finding solace in creating a warm and nurturing home environment. A true animal lover at heart, she extends her compassion to caring for neighborhood strays, embodying her values of kindness and empathy in all aspects of her life.
