## ABOUT ANGELICA

Angelica A. Barriga, CRIS, is a Sacramento native with a strong background in the insurance industry. She began her career as a personal lines agent before transitioning to commercial lines in 2009. Angelica joined Bender Insurance Solutions on July 31, 2024, as the Director of Business Development, where she focuses on growing the agency's team and aligning business goals with client needs.

Angelica holds an Associates of Social Science from Sacramento City College and a CRIS designation, specializing in construction risk management. She is passionate about sales, mentoring, and creating a collaborative, high-energy work environment.

Outside of work, Angelica enjoys spending time with her teenage son and extended family. She loves running, biking, traveling, and being in nature. A dedicated Sacramento Kings and Oakland A's fan, she also enjoys reading, building Legos, and collecting heart-shaped rocks.

Fluent in Spanish and the oldest of three siblings, Angelica values family and cultural connections in all aspects of her life.
