ABOUT GARY

Gary was born in West Point, New York into a Military Family. Growing up in Korea and Japan, he acquired a unique perspective and developed the ability to connect with people from diverse backgrounds.

Currently, serving as the Lead Generation Specialist for Bender Insurance Solutions, Gary is eager to contribute to the agency's growth and provide the utmost support to their clients.

Outside of work, Gary finds joy in his happy marriage and being a devoted parent to his two sons, aged 20 and 18. He cherishes spending quality time with them and actively participating in their lives. An avid sports enthusiast, he gets absolutely ecstatic during the NCAA March Madness tournament! The thrill of the competition and the surprises that unfold on the court never fail to captivate his attention.
