ABOUT GINA

Gina Ovalle brings dedication, reliability, and a passion for service to her role as a Commercial Lines Technician at Bender Insurance Solutions. Born in San Jose, California, Gina spent 29 years there before relocating to Sacramento to raise her daughter—a move that marked a meaningful new chapter in both her personal and professional life.

Joining Bender Insurance Solutions in 2025, Gina is excited to grow with the company and make a lasting impact. Her goal is to be a trusted resource and team member who helps clients protect the businesses they've worked so hard to build. She takes great pride in being dependable when it matters most and looks forward to advancing her career within commercial insurance.

Gina is most proud of raising her daughter, which she considers her greatest achievement. Outside of work, she finds joy in cooking for family and friends, collecting Dutch Bros stickers, and watching heartfelt movies. Her warm personality, strong work ethic, and deep motivation to serve make her a valuable part of the BIS team.
