BIOGRAPHY

Gino grew up in Benicia, CA but moved to Sacramento to attend Sacramento State University where he graduated with a Bachelor of Arts in Organizational Communications.

Gino has been in the field of finance for 20+ years, specializing in commercial insurance, banking, lending, and brokering both Insurance and residential home loans to help serve his clients. He loves working with small businesses and truly understands the benefits of working with both self-employed business owners as well as CEOs of major corporations.

Gino looks forward to continuing his career by specializing in workers' compensation and general liability insurance with Bender Insurance Solutions. He is committed to helping his clients with the utmost courtesy and respect.

In his spare time Gino enjoys watching football (Go 49ers!), playing darts and pool, fishing, as well as competitive sport shooting and talking politics.

Gino has lived in Rocklin with his wife Jean and their daughter, Gianna, for over 15 years and loves the small town feel and convenience of working in the greater Sacramento region.
