ABOUT JAIME

Jamie Sabat-Shaw is a Sacramento native and Commercial Risk Advisor at Bender Insurance Solutions, specializing in construction risk management.

She began her career as a business teller and quickly transitioned into insurance, earning her P&C license in 2002 and developing a deep expertise in her field.

With over two decades in the insurance industry and a CRIS designation, Jamie focuses on helping contractors, particularly in concrete and underground utilities, navigate their insurance needs.

Jamie values providing meaningful support to her clients and approaches her work with the philosophy, "Strive not to be a success, but rather to be of value."

Outside of work, she enjoys spending time outdoors with her family, engaging in artistic hobbies, and attending concerts, especially when her husband is performing. A dedicated Sacramento Kings fan, Jamie also has a love for Halloween and spontaneous adventures.
