ABOUT JEREMY

Jeremy Farque brings extensive experience in risk management, commercial insurance, and surety to Bender Insurance Solutions. Originally from Louisiana and a graduate of Louisiana State University, Jeremy has spent much of his career helping organizations navigate risk and achieve successful outcomes.

He joined BIS with a focus on supporting a strong team and contributing to the agency's continued growth. What Jeremy enjoys most about surety is the opportunity to build lasting partnerships and play a role in bringing projects to life. As he puts it, seeing a completed project he helped support always brings a smile to his face.

Outside of work, Jeremy enjoys camping, fishing, and spending time outdoors. A passionate music fan, he also enjoys exploring California's natural beauty and supporting efforts that preserve outdoor recreation opportunities.
