ABOUT MICHELLE

Michelle joined the Bender team in 2023 with over 30 years' experience in personal and commercial lines insurance. She started her career at CSAA which provided her with great training and customer service skills. Her prior roles include Property/Casualty Underwriter at the carrier level and Agency Account Representative specializing in public entity and contractor clients. She also holds her Life, Accident and Health Insurance license.

As an Account Manager for Bender Insurance Solutions, Michelle believes in being the front-line Underwriter, selecting the best options for her clients as well as the carriers. She is dedicated to making sure insureds understand how important it is to have the proper coverage.

Michelle is a California native from the Tri-Valley area. She made her way to the Sacramento region in 2013 and currently resides in Citrus Heights, CA. She loves to travel to Cabo San Lucas, Mexico every year with her family and looks forward to visiting with friends who live there. She likes reading financial books and listening to financial podcasts. She enjoys swimming, growing her own vegetables in raised beds and hiking to lead a healthy lifestyle.
