BIOGRAPHY

Saul was born in Tijuana, Mexico and raised in San Diego, California. He attended the University of Redlands where he completed his Bachelor of Science in Global Business and Master of Business Administration.

Saul joined Bender Insurance Solutions in 2021 specializing in California Workers' Compensation claims. He has over seven years of experience working as a Senior Workers' Compensation Claims Examiner for carriers/third-party administrators and as a Claims Consultant for a national insurance brokerage firm. During his tenure he specialized in handling accounts in the agriculture, healthcare, and construction industries. Saul strives to provide support and advocacy for his clients while navigating the complex and ever-changing California Workers' Compensation landscape.

Saul recently relocated from San Diego, California, to Portland, Oregon, with his husband Kevin (Director of Finance at startup) and their two dogs: Lorenzo and Giovanni. He is currently training to run his first (and hopefully not last) half-marathon. He enjoys a nice glass of wine (currently into sauvignon blanc), good food, and exploring new places.
